

Amendment 1

Amendment to Fund Street Repairs In lieu of Universal Basic Income from ARPA Funds

Whereas, Pavement ratings completed in 2021 revealed 22% of major streets and 39% of local neighborhood streets are rated as being in poor or failing condition, rated 3 or worse on a 10-point scale;

Whereas, The Ann Arbor City Council recognizes the urgent need to make progress toward repairing our poor and failing streets and to ensure safe and accessible use by all modes of transportation; and

Whereas, Either through additional investment in the next feasible construction season, or to maximize impact through additional investment in a future potential bond proposal to repair streets, the Ann Arbor City Council seeks to prioritize the repair of poor and failing streets;

RESOLVED, That City Council allocate \$1,600,000 from the category of Universal Basic Income to Street Repairs as part of the ARPA Funding allocation;

Amendment 2

Amendment to Include Resident Support Services Funding in the Property Acquisition for Affordable Housing

Whereas, Resident supportive services are important to increase housing stability and reduce homelessness;

Whereas, Support service demands have increased during the pandemic; and

Whereas, Multiyear supportive services funding demonstrates a commitment that can increase odds of accessing approval for Low Income Housing Tax Credits (LIHTC);

RESOLVED, That City Council approve funding in the amount of \$500,000 for resident supportive services for the residents of the housing acquired with ARPA funds within the \$3,500,000 property acquisition for affordable housing allocation.

Amendment 3

Amendment to Include Arts-Based Trauma Programs as part of the Funding for the Arts Allocation of ARPA Funds

Whereas, The pandemic has had an inordinate and traumatic impact on youth and BIPOC communities; and

Whereas, Trauma is informed by structural racism as noted in Council's July 2020 resolution asserting racism is a public health crisis;

Whereas, Innovative arts programming can address pandemic recovery in youth and BIPOC mental health;

Whereas, The arts-based workforce has not been sufficiently supported in relief funding; and

Whereas, Washtenaw's Office of Economic Development will collaborate with arts institutions in granting, supporting, and evaluating arts-based trauma response programs and workforce development;

RESOLVED, That the City Council approve up to \$200,000 for arts-based trauma programs from the \$500,000 allocation of ARPA funds for Funding for the Arts.

Amendment 4

Amendment to Reduce the ARPA Allocation for Unarmed Emergency Response and increase ARPA Funding for Housing for Homeless

Whereas, The pandemic has had an impact on homeless individuals;

Whereas, Additional funding from the State of Michigan in the amount of \$935,336. from Marijuana Excise Tax revenue was by received by the City in FY 2022;

Whereas, Funding for Unarmed Emergency Response can be allocated from the Marijuana Excise Tax revenue received by the City;

RESOLVED, That the City Council approve reducing the ARPA allocation for Unarmed Emergency Response by \$935,336 and increasing the allocation for funding for Coordinated Funding Support, further designating the funding for agencies and programs that provide support to homeless individuals; and

RESOLVED, That a budget amendment to the FY 2022 General Fund budget shall be brought forth separately with all other required ARPA budget amendments to appropriate the \$935,336 in additional funding received from the State of Michigan

Excise Tax Revenue; thereby, allocating additional one-time funding for Unarmed
Emergency Response.
