

Fire Chief Mike Kennedy
City of Ann Arbor Fire Department
111 N 5th Ave,
Ann Arbor, MI 48104

May 9, 2022

Pierce Manufacturing and Halt Fire, Inc. are pleased to provide this proposal for your department to consider.

As requested, we are offering the following fire apparatus and included equipment as described in the provided component list, drawings and spreadsheets.

One (1) Pierce Custom Enforcer Chassis, 500 Gallon, Side mount 1500 GPM Hale pump, 4 man, 450 HP, Class "A" pumper, Bid #1221, \$662,453.00

Specifications and included option list are attached. Price here is Sourcewell consortium priced and includes Sourcewell fee.

As directed by Fire Chief Kennedy the price includes Idle Reduction System. The idle reduction portion is calculated and broken down below. The idle reduction portion includes all components installed to complete the system and integrated into the apparatus.

Apparatus 1221	\$634,710.00
Idle Reduction System	<u>\$27,743.00</u>
Total of proposal:	<u>\$662,453.00</u>

Pricing includes:

- One (1) inspection trip for three (3) people
- One Virtual Pre-build conference
- Delivery to Michigan
- Post delivery inspection
- Three (3) new chassis training sessions
- Photo Progress reports during construction.
- Sourcewell Consortium fee

Payment is due upon inspection and delivery unless other terms are agreed upon at the time of

order. Quoted price valid until July 1st. 2022.

Financing options are available.

Thank you for the opportunity to provide you this proposal for your consideration. If you should have any questions please contact me at any time, I will be more than happy to clarify or review this proposal with you.

Sincerely,

Bruce Hamilton-Sales Representative
