Subject: 721 S Forest - proposed zoning change

Dear City Administrator, Building Inspectors and Council,

We are opposed to this zoning change.

We have LARGE buildings being constructed in various sites around the city - Broadway, Pauline...

We don't even know if these sites are filled.

This zoning change would set precedence in a negative way for the nearby neighborhoods the community relishes.

Sincerely,
Marcia & Jeff DeBoer
1515 Cambridge Rd
