Dear Chair Todoro and colleagues,

I am grateful for the opportunity to have served on the commission.

As I communicated earlier this year, unforeseen family health and care issues have interfered with my ability to meet the attendance requirements for membership.

Therefore I must regretfully resign my position on the board in hopes that the board and community will be better served by a commissioner who can dedicate the necessary attention to the important work at hand.

My resignation is effective today, however if it serves the needs of the board in any way I will adjust that timeline as requested.

Sincerely,

Joshua Meisler

Dear Joshua,

I hope you are doing well and had a wonderful Thanksgiving. During our September meeting, I stepped in as Chair and Stefani Carter is the new Vice-Chair. We have been evaluating the vacancies on the Commission. I wanted to reach out to you regarding your position on ICPOC. Pursuant to our bylaws, if a Commissioner misses 3 or more meetings without reason, they may be removed from the Commission. Due to your lack of attendance at our monthly meetings over the last 6 months, we wanted to know if you are intending to be present at all meetings moving forward. If you are not able to make the commitment at this time, we fully understand. For procedural purposes, please forward us your letter of resignation so that we can begin to recruit a new commissioner.

If we do not hear from you by the end of the day on Thursday, December 15th, we will be required to discuss next steps with our council liaisons. Please feel free to contact me or Denise at any time to discuss the matter in more detail. Thank you for your time and attention to this matter.

Best,
Frances
