Subject: Neighbor comment on JCC library expansion

Dear Rabbi Keller and City Planners,

I am a neighbor who lives a few blocks from the Jewish Community Center. I received a postcard about a community meeting to discuss the planned expansion of the JCC to add a library. I cannot make it to the meeting, but I would like to express my *support* for building the library. I hope my opinion can be counted even though I am sending this as an e-mail message rather than attending the meeting.
