In response to Henry Herskovitz's Holocaust public comment on February 6, I invite him and everyone who heard his speech to watch the video on Frankfurt, Germany's Museum Judengasse website, <https://www.juedischesmuseum.de/en/visit/museum-judengasse/> . It details the history of the first European Jewish ghetto created in 1460.

Boycotting German goods is not the same as systemically killing over 6 million Jews, including over 1.5 million children (<https://www.holocaust.com.au/resources/supplementary-material/children/>).
