Hi Sarah,

Sara Higgins shared your contact with me. I had several unanswered emails to Robert Mulichy, but I understand he is no longer in the role.

Please see my email below. Happy to answer any questions.

Hi Robert,

In accordance with our bylaws, I'm sharing the nominations of the following trustees to the Ann Arbor Summer Festival board.

The A2SF Board of Trustees nominates candidates to the Board on behalf of the City and University and seeks approval from the City and University of their respective nominations. The City Council may approve the nomination of City candidates by resolution, or the City shall notify the Festival within 90 days of receipt of the names of candidates nominated if it objects to the nomination of a candidate to the Board of Trustees.

If an objection is made, the Board of Trustees shall nominate a new candidate and follow the preceding procedures until a candidate is accepted without objection.

The Board of Trustees consist of the Trustees having the power to vote, who shall not exceed thirty-four in number. At all times, to the fullest extent possible, the number of Trustees on the Board whose nominations are subject to approval by the City shall equal the number of Trustees whose nominations are subject to approval by the University.

For a three-year term beginning in FY23

- Greg Dill
- Miriam Perry
- Melissa Hauptman

Sincerely,  
Mike
