DIRECTV, LLC Annual Video Report for U-verse Video Service in Michigan

DIRECTV, LLC (“DIRECTV”) submits this Annual Video Report to the Michigan Public Service Commission (“MPSC” or “Commission”) and franchising entities in the State of Michigan as required by Michigan’s Uniform Video Services Local Franchise Act (2006 Public Act 480, as amended or “Video Act”).

On or about August 11, 2021, each of the 341 municipalities served by Michigan Bell Telephone Company (“AT&T Michigan”) were notified that their Uniform Video Local Franchise Agreement (“Agreement”) was transferred to DIRECTV and that AT&T retains a majority economic interest in DIRECTV, with TPG Capital holding a minority economic interest. DIRECTV is a separate, affiliate company and operates independently of AT&T. As required by the transfer process established by the Video Act, each local entity was provided with an Attachment 2 form to their Agreement.

DIRECTV will continue to meet the terms of those Agreements and of the Video Act, as it relates to the continued provision of the U-verse IP-enabled video service. As required under Sec. 9 (1) of the Video Act, DIRECTV does not deny access to service to any group of potential residential subscribers because of the race or income of the residents in the local area in which the group resides. Existing customers can continue to enjoy the same high-quality U-verse video service without the need for any additional action on their part.
