The engineer's certificate will cover only those items the DEVELOPER'S engineer inspects.

(P-4) To grant an easement to the CITY for public sidewalk and access as shown on the Site Plan, subject to City Council approval. DEVELOPER shall submit legal descriptions and survey drawings for the easements prior to the request for and issuance of building permits, and the easements shall be granted to the CITY in a form reasonably acceptable to the CITY Attorney. The easements must be accepted by City Council prior to the request for and issuance of any certificate of occupancy, although the easements may be accepted at a later time as determined by the CITY Public Services Area.
