SAFETY NOTES

Safety Update *Halloween Safety*

With trick or treating coming up, please take extra caution to walk safely and drive safely this Halloween. Children are more likely to be hit by a car on Halloween than any other day of the year. It's important to make children more visible by wearing costumes with bright clothing, reflective tape or use glow sticks or flashlights to help drivers see you. Use the sidewalks and cross roads only at crosswalks and watch for cars turning or backing out of driveways. Children and adults should put down their electronic devices and walk using caution. Make sure to walk in groups or with a trusted adult. Drivers should be especially alert and watch for children. Make sure to SLOW DOWN and avoid distracted driving. Watch for children walking on roadways and enter and exit driveways and alleyways very carefully. We hope everyone has a fun-filled and safe Halloween. **A2 Be Safe!**

BICENTENNIAL NEWS

Ann Arbor Bicentennial (1824-2024). Planning is underway for Ann Arbor's 200th birthday, to be celebrated throughout the entirety of 2024, with a myriad of events that will be fun, educational, unifying, and inclusive. To kick off this planning year, the Bicentennial Coordinating Committee quickly identified the need to develop a special logo to commemorate the year-long celebration, one that can be used by the community and event organizers to establish consistency and be a recognizable symbol of our collective efforts. More information is available via <https://www.a2gov.org/news/pages/article.aspx?i=948>. The Bicentennial logo will be shared with event organizers and others who wish to use it on their promotional materials. Logo requests can be directed to info@a2bicentennial.org. We encourage you to co-brand your events. A bicentennial events calendar is available via <https://a2bicentennial.org/events>. We encourage to submit your events and celebrate!
