Good morning [REDACTED]

Thank you for including me on this message. We have spoken previously regarding your residency at Briar Cove, and during that conversation, I had shared my contact information and asked you to please reach out to me directly should you have any concerns in the future. I am disappointed that I did not hear from you regarding the current issues you are experiencing, as I am hopeful that we could have come to a resolution together.

Please confirm when you are available to meet in person this week to discuss your concerns, as we take these matters very seriously.

Thank you,

Hailee McCririe

Hi Michaele,

With discernment, I will not meet on person with Kerre: theres apparent lack of follow through with leasing agreement, no enforcement of Ongoing Noise Disturbances of [REDACTED] in [REDACTED] Waymarket, enabling an occupant who will NOT answer any AAPD contact; Also obvious discrimination for Americans with Disabilities; BEZTAK deems her acceptable, please reply with credentials and explanations why such situations have been not addressed with proper means such as a letter to the occupant for months, literally.

I will submit copies of the FOIAS, and witnesses statements, and a mediator will talk to Kerre of Briar Cove MGMT.

This has gone on beyond acceptable, and mediation is necessary.

Sincerely,

[REDACTED]

I will need to check with Kerre's availability and let you know. She may have availability on Friday. To clarify, the meeting will not be with myself but the property manager.

Best, Michaele
