Dear Hailee,

I have several recordings of the man in [REDACTED] making noise disturbances from 10pm through passed 2am this morning and last night. I also have been able to make recordings earlier this week. All late night hysterical laughter, yelling and obscenities.

I notified BriarCove after hours, and was told a message will be left for MGMT.

I did try to truncate several of these so I could try to send as email sound attachments, but it would not allow me to. ..even when I changed the resolution.

So I ask please can we arrange a day and time so I can play these. Also you may need copies, so it will be helpful if we can figure out how.

Ok, please let me know when you are available? Afternoons are best for me, and I'm grateful to work with you.

Best regards,
