Hi [REDACTED],

Thank you for your email! It sounds like you've reviewed the [Renters Commission webpage](#), but if not, it's a great place to start for information on the Renters Commission. I've also copied Zackariah Farah, Chair, and Julia Goode, Vice Chair, on this email. They may be able to assist with your questions. Also, the Renters Commission has several vacancies, below is a link to the application. If you're interested in participating with the Renters Commission, I encourage you to apply.

Hello Renter's Commission,

My name is Ayden Riley and I'm a junior at the University of Michigan currently serving as an engineering representative in the Central Student Government. Today a guest speaker for an urban planning class brought up your group in response to a question about the recent rate hikes by landlords. As a renter in Ann Arbor and a representative member of the student body, I was hoping you could tell me more about your group's goals, scope, and function. I read through your priority list for 2023 as well as a couple of your resolutions and reports. I especially enjoyed the detailed report on the rise of pre-tenancy fees and waitlists as it is quickly becoming an expensive obstacle to housing. I would love to learn more about your upcoming work and see if there's any room for CSG to assist. I know in past years

my organization has conducted housing studies and supported policies such as ELO and Right to Renew. Please reach out with any thoughts or questions. I look forward to hearing from you.

Best,

--
