RE: Charter Amendments and Revisions

Dear Colleagues,

I am writing to request your assistance in notifying municipalities across Michigan of our administration's policy and recommendations regarding charter amendments and revisions.

Under the Home Rule City Act (MCL 117.22) the Governor has the responsibility to review all proposed charter amendments and revisions before any such amendment or revision is presented to the electors. Separately, under Michigan Election Law (MCL 168.646a) municipalities must submit ballot language regarding a proposed charter amendment or revision to the local clerk for certification not later than 4 p.m. on the twelfth Tuesday before the election.

It is a priority of Governor Whitmer's administration to review and respond to proposals by or before this first election filing deadline. It has also been our practice to request the Department of Attorney General review all submissions to our office for compliance with state law. This review takes time and historically guidance has recommended materials be submitted 60 – 90 days prior to the filing deadline to ensure sufficient time to review.

Starting in 2022, our office **will not approve proposed charter amendments or revisions after 4 p.m. on the twelfth Tuesday before the election.** (We will approve changes that fix scrivener's errors for charter amendments and revisions already approved by the deadline.)

We therefore strongly recommend submission of all proposed charter amendments to our office at least **60 days prior** to the filing deadline and strongly recommend submission of all proposed charter revisions to our office at least **90 days prior** to the filing deadline. We are requesting your assistance in notifying municipalities across Michigan of this policy and request.

The Department of Attorney General will continue using their historical process moving forward.
