Hello-

This is Doug Spaly writing regarding the proposed project at 618 S. Main. I own several houses close by in the Old West Side. I want to voice my strong opposition to the height of the proposed apartment building. I am not opposed to new development on the site but the 7 stories is totally out of character with the neighborhood. As you all know the area is a beautiful residential neighborhood of historic homes and to put that tall of a structure in that location makes no sense at all. Half that size would be more acceptable say 3-4 stories. The size of the project is also a concern with added traffic and parking problems that are already an issue.

Thank you for your time.
