Subject: TRINITAS transient student housing

Hello

My name is Jane Pollock and I lived at 549 Skydale Dr. For 26 yrs. My property will be approximately 90 ft from this project.

First and most importantly, I thank you for listening to all of us that are concerned about this project.

Many of us have been involved with this project since the first meeting with Trinitas last year. Ken Garber has helped to keep us organized and on track. We have strategized, handed out flyers educating fellow neighbors up and down the Pontiac Trail corridor, attended meetings in the neighborhood and with the Planning Commission.

You are able to help deter companies like Trinitas to stop coming into our community & pushing projects that do not support the values and goals of Ann Arbor.

This project is an egregious abuse of our precious land & resources. The safety concerns can not be stressed enough on this already strained section of Ann Arbor. Those cars fly over that crest on Pontiac Trail heading into town, past kids walking/biking to school, people waiting for the bus, people waiting to cross the street.

Someone needs to take a stand for our community and just say NO!

Thank you.

Jane Pollock
