ANN ARBOR
CITY CLERK

SEP 17 18

TIME: _____

To: City of Ann Arbor City Clerk's Office,

I object to the proposed building at 141 E Hoover St, Davis St, Brown St, and Greene St. Ann Arbor has already been damaged by the many high rise buildings that have been allowed in downtown Ann Arbor. In recent years, they have been built right out to the sidewalk with no setback like our old courthouse had. Do the people who make these decisions live in Ann Arbor? I hope you don't invade the old west side.

How about repairing the roadway on E. Hoover? Maybe some of my high property taxes could go for street repair in front of my house.

Sincerely,

Elaine Nutt
