

# **Homework and Study Guide**

To effectively prepare for the December 2018 Transportation Commission meeting please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

## **Crosswalk Design Guidelines**

Staff will present the draft <u>Crosswalk Design Guidelines</u> to be used by staff when making determinations about appropriate crosswalk treatments.

- Page 1 describes the steps to identify the appropriate treatment (blue shows the process for uncontrolled intersections, i.e., where there is no stop sign or traffic signal; pink shows the process for controlled intersections).
- Pages 2 and 3 show the different design options depending on the characteristics of the road and other considerations, such as pedestrian volume, vehicular volume, crossing distance, walking speed, vehicle speed, crash history.

Additional detail will be included in the staff presentation, reviewing this background information in advance will help orient you for the December 19 meeting discussion.

## **CIP Committee Charter and Membership Annual Review**

The <u>CIP Committee Charter</u>, last revised January 2018, states that "membership of the Committee and the charter will be reviewed annually by the Commission." Please review in advance and come prepared with any comments or questions.

### **Micro-Mobility Statement of Values**

The Micro-Mobility Committee has prepared a Statement of Values\* to guide their future work and discussions. Review in advance and come prepared to take action.

\*Will be available Monday, December 17

## **FY20 Policy Agenda Input**

Commissioners were asked to propose language to submit to the City Council Policy Agenda Committee for the FY20 Policy Agenda response. A <u>draft response</u> from the Transportation Commission is available for review. Please review in advance and come prepared to share any edits or additions to the Commission response.

## 2017 and 2018 Annual Report

A draft annual report\* is available for Commission review and comment. The report will be presented for Commission action at the January 2019 meeting.

#### TRANSPORTATION COMMISSION

## City of Ann Arbor

\*Will be available Monday, December 17

## 2019 Work Plan

A <u>draft work plan</u> is presented as a starting point for Commission review and comment.

### Other materials:

- Core Elements for Vision Zero Communities Vision Zero Network
- Resolution to Approve an Interim Right-of-way License Agreement with Bird Rides, Inc., for the Operation of Electric Scooters in the City of Ann Arbor
- Additional micro-mobility reading:
  - o Lime to roll out 'LimePod' car share
  - Scooters Are Suddenly Everywhere. What Should Cities Be Doing About It?
  - DC's scooter-sharing & bikesharing pilot is helping underserved communities in the city. Mobility data platform <u>Populus looks at what</u> they're doing right.
  - Los Angeles DOT wants to <u>drive mobility infrastructure planning</u> with new data-sharing partnership between Lime, Spin, & Remix.
  - o D.C. to expand the number of scooters and dockless bikes allowed in 2019
  - o Scooter and bike companies say D.C.'s new rules for dockless vehicles are too restrictive
  - A survey of escooter usage in Portland, Oregan: https://www.portlandoregon.gov/transportation/article/700916
  - o Mapping the impact of dockless vehicles: Dockless Mobility Hub
  - o Bikeshare, Scooters, Cars, Trains, Bridges: One Agency to Rule Them All
