E PUBLIC COMMENT (3 Minutes Per Speaker)

F OLD BUSINESS

F-1 [19-0251](#) DR18-006; 616 E. Washington Street
Proposed redevelopment of five lots on the south side of East Washington Street with a mixed-use high-rise urban apartment community building. The development uses both the residential use and the affordable housing premium floor area options to propose almost 900% FAR. Planned project modifications will be part of the site plan application to exceed the height limit of its character overlay zoning district.

The Design Review Board discussed the revised design plan for the proposed development and made the following comments and recommendations.

Consider reducing the number of spandrel spans of brick, making the tower more vertical and enhancing the elegance of it.

Consider reducing the size and mass of the development.
