**City Clerk  
Jacqueline Beaudry**

**Planning Manager  
Brett Lenart, AICP**

**Good Afternoon,**

**We would like to formally request that the proposal for The Garnet Project currently on the City Council agenda for August 19, 2019 (agenda items B-2 & DB-1) be moved to the agenda for the September 16, 2019 City Council meeting.**

**This change will allow our architect time to produce additional requested drawings and to allow us to time to consider amending our conditions contained in the conditional zoning request.**

**Thank you,**

A handwritten signature in black ink, appearing to read 'Kelly Anderson', with a large, sweeping flourish at the end.
