

QWICK KURB, INC.

April 16, 2019

To Whom It May Concern

RE: QWICK KURB®

Dear Interested Party:

We certify that we are the manufacturing distributor and sole licensee in North America of the traffic separator system, known in the U.S. and Canada since 1995 as QWICK KURB®.

Some of the QWICK KURB® products currently installed in Michigan include the Slender Bender™ Crosswalk Marker, L60 Separator Curb, L61 and L62 End Curbs, L65 Reflective Arc, L104 Mega Marker™, L125sh Big Bollard™, and L125shM Mash Big Bollard™ Uprights (including the L76 Flex), and FS50 road anchors. This highly visible and durable system is often used by traffic engineers to direct motorists through safe lanes and to avoid hazardous maneuvers, e.g., restricting left turns and discouraging gate-running at rail-highway crossings.

In Michigan, our exclusive dealer is Carrier & Gable, Inc. 24110 Research Drive, Farmington Hills, MI 48335, (248) 477-8700. We have authorized no other dealers to sell in the state.

Carrier & Gable can supply you with all of the QWICK KURB product line that is compatible with QWICK KURB product previously installed in numerous locations throughout Michigan.

Sincerely,

Robert J. Schindler
President
