The Lowertown area continues to grow, with both private and University of Michigan developments occurring. This development will necessitate traffic and mobility studies in order to project what will be needed in the future to maintain flow of traffic, and also to provide for the safety of pedestrians, bicyclists, and motorists. I am asking

my Ward 1 representatives to vote for this study.

Agenda Item: eComments for DS-2 19-0956 Resolution to Proceed with a Road Reconfiguration Pilot for Traverwood Drive, from Huron Parkway to Plymouth Road

Overall Sentiment
