RE: Jackson Rd Sidewalk complaint

To Ann Arbor City Council Members,

We are the owners of the property at 55 Westover St, Ann Arbor MI (Gary, Abdirashid, and Geyre, Safia) we are writing this letter concerning the substantial tax assessment, that we are required to pay in order to build a sidewalk alongside Jackson Rd.

We have reviewed this sidewalk project and wish to strongly object to the construction. And cannot afford to pay the amount request along with the pandemic that is happening, hence we kindly request that the council members either suspend this project or find another determination for the amount being appraised.

Thank you for your time in reviewing this email and I hope to hear from you all soon.

Best Regards,

55 Westover Property Owners  
Abdirashid Gary and Safia Geyre
