Subject: include newly elected Council members in every step of choosing our new City Administrator

Dear Mayor Taylor,

I am a longtime Ann Arbor resident. Before tonight's meeting in which candidates for the new City Administrator will be discussed, I wanted to express my opinion that the current Council should not be in charge of hiring the new Administrator. I hope that, going forward, the newly elected Council members will be included in every step of choosing the new Administrator, including this meeting tonight.

Also, thank you for vetoing the move by Council to make the local elections nonpartisan.

Thank you for all of your work for our city!

Chris Nelson
