Washtenaw County Proposal

PROPOSITION TO AUTHORIZE THE RENEWAL AND RESTORATION OF A 0.25-MILL FOR THE PURPOSE OF PURCHASING NATURAL AREAS IN ORDER TO PRESERVE THEM, PAYING THE COSTS OF OPERATING A LAND PRESERVATION PROGRAM AND PAYING THE COSTS OF MAINTAINING THE LAND PURCHASED

"Shall the limitation on taxes which may be imposed each year for all purposes on real and tangible property in Washtenaw County be increased as provided in Section 6, Article 9 of the Michigan Constitution and the Board of Commissioners be authorized to levy a tax not to exceed one fourth of a mill (\$0.25 per \$1,000 of state equalized valuation) on the taxable value of such property for a period of ten years beginning with the levy made on December 1, 2021 (which will generate estimated revenues of \$4,407,196 in the first year) for the purpose of purchasing natural areas in order to preserve them, paying the costs of operating a land preservation program and paying the costs of maintaining the land purchased? Of the 0.25 mill, 0.2341 represents a renewal of that portion of a 0.25 mill authorization previously approved by electors as reduced by operation of the Headlee Amendment, and 0.0159 represents new millage in the amount equal to the amount reduced by operation of the Headlee Amendment."

Pursuant to state law, the revenue raised by the proposed enhancement millage will be collected by the Wayne County Regional Educational Service Agency and distributed to local constituent public school districts including eligible public school academies within the boundaries of the Wayne County Regional Educational Service Agency based on pupil membership count.

As a renewal of authority which expires with the 2021 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 2 mills (\$2.00 per thousand dollars of taxable value) for a period of six (6) years, 2022 to 2027, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 2 mills would raise approximately \$90.4 million when first levied in 2022.

The revenue from this millage will be disbursed to public school academies within the boundaries of the Wayne County Regional Educational Service Agency which are eligible to receive enhancement millage under the Revised School Code and the following school districts:

Allen Park Public Schools; Crestwood School District; Dearborn City School District; Dearborn Heights School District #7; Detroit Public Schools Community District; Ecorse Public School District; Flat Rock Community Schools; School District of the City of Garden City; Gibraltar School District; Grosse Ile Township Schools; The Grosse Pointe Public School System; Hamtramck Public Schools; City of Harper Woods Schools; School District of the City of Highland Park; Huron School District; School District of the City of Lincoln Park; Livonia Public Schools; Melvindale - Northern Allen Park Schools; Northville Public Schools; Plymouth-Canton Community Schools; Redford Union School District; River Rouge School District; Riverview Community School District; Romulus Community Schools; Southgate Community School District; South Redford School District; Taylor School District; Trenton Public Schools; Van Buren Public Schools; Wayne-Westland Community School District; Westwood Community Schools; Woodhaven-Brownstown School District; Wyandotte City School District
