Dear Ashley,

I hope this finds you well. This letter confirms that the Ann Arbor Area Community Foundation has approved a matching grant of \$99,261.50 payable over two years in support of the *Aging In Place Efficiently* program being led by the City of Ann Arbor's Sustainability Department in partnership with Michigan Saves as the project's fiscal agent. As a reminder, our funding disbursement is contingent on yearly funding also being provided by the Partners for Places program.

I am thrilled that our collective institutions will be supporting healthy and dignified aging in Ann Arbor and Washtenaw County. Thank you for believing in us and our vision for impact!

Please reach out with any questions or concerns.

Jillian Rosen
Vice President – Community Investment
