Joan French – downtown Ann Arbor

Peter Honeyman – downtown Ann Arbor

Hugh Sonk – not present

John Splitt – downtown Ann Arbor

At this Downtown Area Citizen's Advisory Council meeting, a dozen downtown residents and near neighbors gathered on Zoom for a discussion that focused mostly on the CAC's authority and role looking forward.

There are lots of vacancies on the CAC and the Council is looking for ways to encourage more downtown residents to participate and looking especially to broaden the diversity of outlooks on the Council. CAC will be reaching out to DDA leadership for guidance and feedback as we strive to keep the Council a useful and relevant tool for the DDA and for City Council by providing a voice for downtown area residents.
