**BUSINESS**

Food Forest Tree Planting Project - Robin Greenwood & ShuNahSii Rose

*The Food Forest Coalition request 8 fruit trees be planted in Leslie Park to start a Food Forest. The committee is excited to support the project and looks forward to possibly touring the site once finished.*

**21-1465** Leslie Park Food Forest Project Proposal

**Westerman moved to approve the planting proposal to install a food forest in Leslie Park for a total cost of \$2,162.94. Nybell seconded. Motion passed unanimously.**

Staff Report - Tiffany Giacobazzi

**21-1471** August 2021 Staff Report

*204 W. Jefferson Landmark Tree: Staff requested \$95.00 to bring in Guardian Tree Experts to assess a tree that was likely sprayed with chemical(s). The committee agreed to fund the consultation fee. The committee encourages staff to reach out to the resident suspected of harming the tree to see if staff can assist in the issue that lead to spraying the tree to try and avoid future occurrences.*

*Park Signage: The committee discussed a request from the Parks Department regarding signage in parks. The example provided was Arbor Oaks Park. Parks staff are requesting guidance on how long signage needs to remain up. The committee recognizes that for small projects signage doesn't need to remain indefinitely. However, they would like to meet with Park Staff representative(s) to discuss this question at a future meeting. Parks staff will be invited to the next committee meeting for continued discussion.*

*Urban Wood Reuse Program: Staff updated the committee on the potential for an Urban Wood Reuse Program here in Ann Arbor/Washtenaw County. They would like to be kept up-to-date on project developments. They are excited about this project.*

**Westerman moved to approve the request to have Guardian Tree Experts consultation fee to inspect the landmark tree at 204 W. Jefferson. Nybell seconded. Motion passed unanimously.**

**21-1464** Garden Homes Park Project Proposal

*After reviewing budgets, the committee asks that staff reach out to the Parks Department to see if they can plant the trees during FY2022. If Parks is not able to plant the trees, the committee will consider the planting at the next meeting, budget allowing.*

Gallup Park Stone Update - Tiffany Giacobazzi

*The stone has been moved adjacent to the newly constructed sidewalk. Construction is complete and park planners will provide a draft landscape plan for tree planting for the next committee meeting for consideration and approval.*
