Whereas, The 2013-14 winter season was particularly brutal for Washtenaw County residents - and no more so for those most vulnerable residents struggling with homelessness;

Whereas, The local sheltering system was stretched beyond capacity to accommodate the overwhelming demand for safe, warm space during the near-constant emergency weather conditions; Whereas, The Office of Community & Economic Development - on behalf of the City of Ann Arbor, Washtenaw County, and the local Continuum of Care Board - and the Washtenaw Housing Alliance convened a Winter Emergency Shelter/Warming Center Response work group in the fall of 2014;

Whereas, The workgroup proceeded to review the scope of the problem, surface and evaluate a set of possible solutions, and explore a variety of community partnerships and funding sources;

Whereas, The effort resulted in an improved, better planned, and efficiently coordinated action in the 2014-2015, 2015-2016, 2016-2017, 2017-2018, 2018-2019, 2019-2020, 2020-2021, 2021-2022, 2022-2023 emergency shelter and warming center response cycle;
