Resolution to Amend the Fleet and Facility Unit FY 2019 Budget by Appropriating Funds and to Authorize the Purchase of a 2019 Custom Pumper Fire Apparatus from Spartan Motors (Houston-Galveston Area Council Bid - \$594,380.00) **(8 Votes Required)**

The attached resolution authorizes the purchase of one 2019 Spartan Custom Pumper Rescue Engine at a cost of \$594,380.00 through the Houston-Galveston Area Council (HGAC) cooperative purchasing program (contract HGAC #FS12-17) for use by the Safety Services Area, Fire Department Unit.

As per the Fire Chief’s apparatus plan, once this unit is placed into service in late 2019, units #1070 and #1071, both 2005 Spartan engines with nearly 18,000 hours of combined service, will be moved to reserve status. The current reserve units #1042 and #1095 will be sold at auction, as approved by City Council Resolution #R-18-315.

Spartan Motors USA, Charlotte, Michigan was awarded Contract Number FS12-17 by the HGAC cooperative purchasing program for fire service apparatus. The City’s purchasing unit has reviewed the HGAC cooperative purchasing program and found that it meets the requirements of the City of Ann Arbor for competitive and fair purchasing.

Spartan Motors USA complies with the requirements of the City’s conflict of interest and non-discrimination ordinances.

Budget Impact:

Funding for this purchase is provided by the annual replacement costs paid to the Fleet Fund by Fire; however, was not anticipated and included in the approved FY 19 Fleet Services Operations and Maintenance Budget; therefore, requiring a budget amendment.
