Attached for your review and approval is a resolution to authorize a Professional Services Agreement with CTI and Associates, Inc. (CTI) for construction materials testing services in the amount of \$92,675.00 for the 2013 Street Resurfacing Project.

This project consists of approximately two major streets and nine local streets. The construction is scheduled for April through October 2013.

Eight firms submitted proposals for the required construction materials testing services. Project Management staff evaluated the proposals and selected CTI based on the proposal, staff qualifications, past involvement with similar projects, and cost. CTI has Human Rights and Living Wage approval.

Services to be performed include all the required testing for soils, aggregates, asphalt, and concrete. Funds for the requested services are available in the approved FY 2013 Street Millage fund capital budget.
