Resolution to Approve a Two-Year Service Agreement with Emergent Health Partners for Ann Arbor Fire Department Dispatch and Related Services and Appropriate Funding (\$348,674.25/2yrs) (8 Votes Required)

Emergent Health Partners (EHP) has provided fire dispatch services since 2009. The two-year service agreement with EHP provides fire department dispatching services for FY2025 and FY2026. This contract includes an 18% increase in FY 2025 above current costs and an additional 5% increase in FY 2026. The City of Ann Arbor is in a weak position to negotiate pricing given the lack of providers for such services. Viable alternatives are being explored for a unified public safety dispatch solution. Should an alternative be found, this contract provides a six (6) month notice of termination clause.

EHP complies with the City’s Non-Discrimination and Living Wage ordinances.

Budget/Fiscal Impact: The increase in the contract with EHP was not anticipated. It is being requested that \$27,000.00 be appropriated from the General Fund fund balance for FY 2025 for the additional cost of the contract.
