Resolution to Approve Amendment No. 2 to the Agreement Between the City of Ann Arbor and Rosati, Schultz, Joppich & Amtsbuechler, P.C. for Legal Services Related to a Michigan Tax Tribunal Real Property Tax Appeal (\$40,000.00)

The City Assessor’s office has been trying to resolve a property tax dispute for a large commercial property owner for at least six months. In December 2019 Council approved outside legal support to assist with negotiations; however, the tax appeal appears to be heading towards the Michigan Tax Tribunal for resolution. The taxes in dispute over two years total approximately \$1.159 million for all taxing entities. The City Assessor’s Office, in consultation with the City Attorney’s Office, believes the existing legal contract needs to be amended from \$25,000 to \$40,000 to reflect the additional costs associated with defending the City’s position at the tribunal. These costs include the cost of preparation and defense for a potentially two week trial.

Specifically, staff requests Council approve the attached Amendment Number 2, to the agreement between the City of Ann Arbor, (“City”) and Rosati, Schultz, Joppich, & Amtsbuechler, P.C, (“Contractor”) for Legal Services, which is dated June 1, 2019, as amended by Amendment Number 1 (collectively referred to as the “Agreement”).
