Resolution to Recommend Approval of Issuance of a Downtown Development District Liquor License to Wintawat, LLC (d/b/a Marnee Thai Restaurant)

The attached resolution will approve the recommendation of Wintawat, LLC to the MLCC for issuance of a downtown development district liquor license to be sited at 414 S. Main St., Suite 130, Ann Arbor.

The City Council of Ann Arbor adopted Resolution R-08-024 on February 4, 2008 establishing the Ann Arbor Downtown Development District as a development district for liquor licensing in accordance with the requirements of Public Act 501 of 2006 and the Michigan Liquor Control Commission (“MLCC”). To receive a Development District Liquor License an applicant must be approved by the City and the MLCC. An application for a license will not be authorized for investigation until the MLCC has received a City resolution which approves the applicant at a specific location “above all others.”

Wintawat, LLC has submitted the City license application with all requested supplemental documentation to the City Clerk. The restaurant has been inspected by the City Service Units and its taxes are current and the Council Liquor License Review Committee recommended approval on January 9, 2009.

A determination that the applicant is approved “above all others” at the designed premises is recommended on the basis of the unique character of the restaurant and the services it offers to the downtown community and the general public.

If approved by City Council, the applicant will still be required to demonstrate to the MLCC that it meets all statutory licensing requirements to be issued a downtown development district liquor license.

Whereas, In 2006 in an effort to promote economic development in qualifying communities, the Michigan Legislature passed Act 501 of the Public Acts of 2006 ("Act") which Act established the criteria for development area liquor licenses;

Whereas, Pursuant to the Act, the City of Ann Arbor may authorize the approval of certain on-premises liquor licenses, irrespective of the availability of on-premises licenses from quota to applicants within a designated development project area meeting certain established criteria;

Whereas, The Act requires a resolution from the governing body of the community that establishes and certifies certain criteria, including a certification that the community has created a qualifying development area, and approving an applicant at a location within a development area before that applicant may apply to the Michigan Liquor Control Commission for a development area liquor license;

Whereas, The City Council of Ann Arbor adopted Resolution R-08-024 on February 4, 2008 establishing the Ann Arbor Downtown Development District as a development district for liquor licensing in accordance with the requirements of Public Act 501 of 2006 and the Michigan Liquor Control Commission ("MLCC");

Whereas, Wintawat, LLC has submitted an application to the City requesting City approval and recommendation to the MLCC of issuance of a downtown development district liquor license;

Whereas, Wintawat, LLC meets the statutory requirements for a development area liquor license as it is engaged in the business of dining, entertainment or recreation, is open to the general public and has a seating capacity of not less than 50 persons; and

Whereas, Wintawat, LLC has provided evidence with its application that it can document the expenditure to the Michigan Liquor Control Commission, of not less than \$75,000.00 in the rehabilitation or restoration of the building that houses the licensed premises over the preceding 5 years as required by the Act; and

Whereas, The designated premises, 414 S.
