Resolution to Allocate \$205,000.00 in HOME Funds to Whispering Creek Project LLC for the Acquisition and Rehabilitation of 3335 - 3337 Platt Road and to Approve the Housing Affordability Agreement (\$205,000.00 HOME Funds)

Attached for your review and approval is a resolution to allocate \$205,000 in HOME Funds to Whispering Creek Project LLC, a subsidiary of Michigan Ability Partners (MAP), to acquire and rehabilitate 6 units of transitional housing for disabled persons, with a set-aside for disabled veterans. MAP and HERO will provide on-site and off-site treatment and employment services.

The total budget is \$398,209.00. The request for City funds constitutes 52% of the total project costs. Michigan Ability Partners has secured \$100,751.00 from the Department of Veteran’s Affairs, \$12,500.00 from Washtenaw County and \$79,958.00 from the Federal Home Loan Bank.

The project is consistent with the City’s Consolidated Strategy and Plan. The targeted tenants are extremely low income and are considered a special needs population. The City Attorney’s office will review the legal and contractual documents to ensure that Whispering Creek Project LLC will comply with the requirements in the HOME regulations. It will be the responsibility of the Office of Community Development to monitor agency compliance with these regulations as part of their annual HOME Program monitoring.

Consistent with HOME Program requirements, a mortgage and housing affordability agreement will be placed on the property to preserve the affordability of these units. The project will be ineligible for additional HOME funds for a minimum of 15 years as required by the HOME program regulations. The City’s affordability period will be 99-years, consistent with previous projects. Consequently, Whispering Creek Project LLC will ensure that replacement reserves (for large property improvements such as a new roof) and operating reserves are included in the budget and placed in a restricted escrow account.

Based on an underwriting analysis by the Office of Community Development, it was determined that the project could not support debt service on the City funds. Consequently, Whispering Creek Project LLC is requesting a 0% interest, deferred loan.

The Housing Policy Board (HPB), at its meeting on December 15, 2006, reviewed the MAP request and recommended approval of a 99-year, 0% interest, deferred loan, contingent on Whispering Creek Project LLC securing permanent financing, which was secured in December 2007. The HPB did not approve a funding amount, which was to be determined after the Office of Community Development performed the necessary financial underwriting and due diligence.

Effective January 1, 2008, the HOME budget reflects \$634,000.00 in uncommitted and available funds.

The Office of Community Development recommends City Council approve the \$205,000.00 HOME loan as a 0% interest, 99-year term, deferred payment loan, with repayment upon sale or transfer of the property. The loan will be forgiven after 99 years. The Office of Community Development also recommends that the City include a right of first purchase and an equity-sharing clause allowing Whispering Creek Project LLC to retain 48% of the equity after paying off all liens, and allowing the City to retain 52% of the equity.

Whispering Creek Project LLC will receive Human Rights and Living Wage approval prior to executing any contracts, MAP received Human Rights and Living Wage approval July 1, 2007.
