Resolution to Approve an Administrative Services Agreement with the Ann Arbor/Ypsilanti SmartZone LDFA for Administrative and Support Services (\$215,840.00 over a two-year period)

Attached for your review and approval is a resolution authorizing the approval of a two-year Administrative Services Agreement with the Ann Arbor/Ypsilanti SmartZone LDFA (SmartZone).

The SmartZone is a separate legal Authority funded by the State of Michigan with a locally appointed board to oversee its management and operations. The SmartZone’s purpose is defined by a multi-party agreement called the Tax Increment Financing and Development Plan. As a part of this Plan, the City is responsible for providing financial management, audit, reporting, and secretarial services. The City’s Chief Financial Officer is the official Secretary for the SmartZone and is responsible for providing these services.

The attached agreement between the City and the SmartZone enumerates the services to be supported and provides for payment by the SmartZone to the City for these services. The City would receive payment for service that does not exceed \$105,840 in FY2022 and \$110,000 in FY2023.

Budget/Fiscal Impact: Revenue for these services is included in the approved FY2022 Budget and in FY2023 Budget Plan.
