Resolution Vacating Utility Easements (former Super-8 Motel) And Accepting Utility Easement (for Hampton Inn) from Executive Hospitality, Inc. 2910 Jackson Road **(8 Votes Required)**

The City has two existing 40-foot wide easements for public utilities located at the site of the former Super-8 Motel on Jackson Road. City Council accepted the existing easements at its January 19, 1993 session.

The fee owner of the property, Executive Hospitality, Inc, a Michigan corporation, as part of its redevelopment of the site, has agreed to the City’s recommendation to vacate the existing utilities.

The attached resolution will simultaneously vacate the existing easterly and westerly 40-foot wide easements for public utilities and accept the replacement variable width easement for public utilities which will serve the new Hampton Inn.

The Engineering Division of the Public Services Area has reviewed the two easements being vacated and has no objections.

The easement being accepted by this resolution is in standard form and conveyed at no cost to the City.

Acceptance of the grant of easement is recommended.
