Resolution to Approve Contracts with Legal Services of South Central Michigan, Housing Bureau for Seniors and Washtenaw County Treasurer for Mortgage and Tax Foreclosure Prevention and Counseling Services (\$60,000.00 FY 2010 AAHTF and \$100,000.00 FY 2010 General Fund)  
The Office of Community Development (OCD) is requesting that City Council approve \$40,000.00 in Ann Arbor Housing Trust Funds (AAHTF) to Legal Services of South Central Michigan, \$20,000.00 in Ann Arbor Housing Trust Funds to the Housing Bureau for Seniors, \$5,000.00 in General Funds to the Housing Bureau for Seniors and \$95,000.00 in General Funds to the Washtenaw County Treasurer (and as MSU Extension’s fiduciary) for Mortgage and Tax Foreclosure Prevention and Counseling Services. The funds are included in the FY 2010 Community Development budget. The OCD is collaborating with the Tax and Mortgage Foreclosure Taskforce which includes the Washtenaw County Treasurer’s Office, Legal Services of South Central Michigan, MSU Extension, and the Housing Bureau for Seniors, numerous other local non-profits, private lenders and realtors to address the current mortgage and tax foreclosure crisis.

Washtenaw County had 1,433 mortgage foreclosure first insertions, the first legal notification from the lien holder that a mortgage is being foreclosed on and typically occurs after 90 - 180 days of non-payment, in the legal news and 703 sheriff’s sales in 2006, and 2,194 first insertions and 1,151 sheriff’s sales in 2007. In 2008, there were 1,439 sheriff sales. Michigan has one of the highest foreclosure rates in the nation. Fannie Mae has written off a greater volume of loans in Michigan than any other state. As homes are vacated and people move out of state, the housing values drop. The tax impact on local municipalities is significant. Michigan communities that have studied the impact of mortgage foreclosure have found that each foreclosed home costs \$22,000.00 to \$258,000.00 to the community. A foreclosed home costs the homeowner, the lien holder, the municipality’s tax collections and the neighborhood housing values. They have also shown that it only costs \$670.00 to \$1,435.00 to save a home through mortgage foreclosure programs, like the one in Washtenaw County. Unfortunately, not all homeowners are in a position to stay in their home and the foreclosure collaborative works with these homeowners to mitigate their losses and move into a more affordable

housing situation.

This program provides a comprehensive response to the mortgage and tax foreclosure problem, and compliments the City's utility shut-off grants and payment plans, poverty tax exemptions, annexation fee waivers, and homeowner loans for sidewalk repairs and housing rehabilitation.

The Foreclosure Taskforce members provide education, counseling, advocacy, legal services and emergency loan services. The community need is overwhelming the capacity of the agencies providing assistance. In FY 2009, the County Treasurer, Legal Services, MSU Extension and the Housing Bureau for Seniors served over 1,400 clients. In FY 2009, the County Treasurer provided services to 608 clients (95 in Ann Arbor), 474 clients developed action plans, 154 clients were referred to other services, and 179 clients completed a loss mitigation case, 114 of which were curable through the Treasurer's office. MSU Extension provided services to 567 clients (198 in Ann Arbor), 307 developed sustainable action plans, 221 were referred to other services and 73 were able to stay in their homes. Legal Services provided services to 107 clients (24 in Ann Arbor), 57 of whom maintained their housing. The Housing Bureau for Seniors provided services to 681 clients (93 in Ann Arbor) and 105 achieved housing stability. The City's contribution of \$160,000 in FY 2009 served 410 mortgage and tax foreclosure clients for a cost of an average of \$390.00/household.

OCD is requesting City Council's approval of \$160,000.00 in AAHTF and General Funds to continue supporting these services in FY 2010:

Education & Supplies	Treasurer	\$ 10,000.00	Gen Fund
Intake Services	Treasurer	\$ 20,000.00	Gen Fund
Mortgage Counselor	Treasurer/MSU Ext	\$ 65,000.00	Gen Fund
Counselor	HBS	\$ 5,000.00	Gen Fund
Counselor	HBS	\$ 20,000.00	AAHTF
Legal Services	LSSCM	\$ 40,000.00	AAHTF
TOTAL		\$160,000.00	

The Intake Services and two Mortgage Counselors are housed at MSU Extension and will work one-on-one with residents with mortgage foreclosure issues. A counselor will work with seniors at the Housing Bureau for Seniors. Two Tax Counselors are housed at the County Treasurer's Office who work one-on-one with residents who have tax foreclosure issues. The revolving loan fund will be used to help people who are in a crisis, but have the ability to keep up with their loan payments after a work-out plan. It is important to note that the City has contributed funds to a tax foreclosure revolving loan fund at the Housing Bureau for Seniors for over 20 years. Legal Services of South Central Michigan will provide legal advocacy and loan reviews to residents. The Education and Supplies budget will be used for marketing, education, printed materials and travel expenses.

The Office of Community Development recommends Council approval of \$40,000.00 in Ann Arbor Housing Trust Funds (AAHTF) to Legal Services of South Central Michigan, \$20,000.00 in Ann Arbor Housing Trust Funds to the Housing Bureau for Seniors, \$5,000.00 in General Funds to the Housing Bureau for Seniors and \$95,000.00 in General Funds to the Washtenaw County Treasurer (and as MSU Extension's fiduciary) for Mortgage and Tax Foreclosure Prevention and Counseling Services.
