Resolution Accepting Easement for the Construction and Maintenance of Headwall located in Mallett's Creek Culvert under S. State Street from Waterworks Plaza, LP (3131 S. State Street) (8 votes required)

There is a resolution before you to accept a grant of easement from Waterworks Plaza, LP, a Michigan limited partnership, to the City for the purpose of extending the existing headwall at the downstream end of the Mallett's Creek culvert located under S. State Street. The construction of the extension of the headwall will extend outside of the City's existing right-of-way and also outside of the existing Washtenaw County Drain.

The terms and conditions of the grant of easement have been reviewed and approved by the Project Management Services Unit of the Public Services Area.

The grant of easement is in standard form and was conveyed at no cost to the City.

Acceptance of the easement is recommended.
