Resolution to Approve the 333 E. William Street Development Agreement (CPC Recommendation: Approval - 6 Yeas and 0 Nays)

This resolution will approve the Development Agreement for a new residential development located in the D1 Downtown Core Zoning District at 333 E. William Street. A site plan was submitted and approved by the City Planning Commission on December 19, 2023.

Petition Summary:

The 333 E. William Street site plan provides for the development of a 16-story residential building, with approximately 202 homes, including an estimated 645 bedrooms.

A Development Agreement requires approval by City Council. The Development Agreement specifies requirements associated with development of the approved site plan, including the provision of a public pedestrian easement along the eastern property boundary, a \$126,250 parks and recreation contribution by the petitioner to provide benefits to the residents of the development, the commitment not to connect natural gas to the site (except for emergency power back up), the payment of a downtown parking removal fee of \$329,350, and other process and timing obligations.
