Resolution to Approve a Professional Services Agreement for Construction Materials Testing with Professional Service Industries, Inc. for the 2010 Street Resurfacing Project (RFP No. 757, \$42,905.00)

Attached for your review and approval is a resolution to authorize a Professional Services Agreement with Professional Service Industries, Inc. (PSI) for construction materials testing services in the amount of \$42,905.00 for the 2010 Street Resurfacing Project.

This project consists of the resurfacing of approximately 5 major streets and 5 local streets throughout the City. The construction is scheduled for approximately May 17, 2010 through October 2010.

We received proposals from ten firms for the required construction materials testing services. Project Management staff evaluated the proposals and selected PSI based on the proposal, staff qualifications, past involvement with similar projects, and cost. PSI received Human Rights and Living Wage approval on February 12, 2010.

Services to be performed include all the required testing for soils, aggregates, asphalt, and concrete. Funds for the requested services are available in the approved FY 2010 Street Millage Capital budget.
