Resolution Accepting Easement for Utilities from Second Baptist Church of Ann Arbor 850 Red Oak (8 Votes Required)

There is a resolution before you to accept an easement from Second Baptist Church of Ann Arbor, a Michigan non-profit corporation, for the construction and maintenance of public utilities.

Second Baptist Church of Ann Arbor has agreed to the City’s terms and conditions, including indemnification of the City for acceptance of the grant of easement, which acknowledges that a retaining wall located on the Church’s property encroaches over the utility pipes, and sets forth the parties’ respective obligations and responsibilities in connection with the permitted retaining wall encroachment.

The easement is conveyed without cost to the City and the grant of easement has been reviewed and approved by the Project Management Services Unit of the Public Services Area.

Acceptance of the easement is recommended.
