Resolution to Approve Purchase of Sodium Hydroxide (Caustic Soda) for Water Treatment from JCI Jones Chemical, Inc. Bid No. 4487 (estimated \$199,100.00/year)

Your approval is requested to authorize the purchase of sodium hydroxide for the Water Treatment Services Unit. Sodium Hydroxide is used to raise the pH of the water to avoid taste and odor in the water delivered to customers. The estimated cost of this chemical for FY18 is \$199,100.00.

The City received the following bids per dry ton:

- JCI Jones Chemical, Inc - \$550.00
- PVS Technologies - \$565.00
- Old World Industries - \$650.00

It is recommended that Council accept the bid and award a purchase order to JCI Jones Chemical, Inc, as the lowest responsible bidder, to provide the Water Treatment Service Unit with sodium hydroxide for FY18.

It is also recommended that the purchasing agreement be extended for up to three (3) additional (1) one-year periods if the vendor is agreeable and if in the best interest of the City. Any price adjustments must follow the pricing index procedure in the bid documents.

If JCI Jones Chemical, Inc, Inc is unable to furnish sodium hydroxide, it is requested that the City Administrator be authorized to accept the next lowest responsible bidder for the sodium hydroxide purchase.

JCI Jones Chemical, Inc complies with the City's Non-discrimination Ordinance. Funds are specifically budgeted for this purchase in the approved FY18 Operations and Maintenance Budget for the Water Supply System Fund.

Prepared by: Larry Sanford, Assistant Manager, Water Treatment Services Unit

Reviewed by: Craig Hupy, Public Services Area Administrator

Approved by: Howard S. Lazarus, City Administrator

Whereas, The Water Treatment Services Unit uses sodium hydroxide to raise the pH of the water to avoid taste and odor in the water delivered to customers;

Whereas, Contracts for supplying estimated requirements are the most stable and cost-effective way of meeting water treatment needs;

Whereas, JCI Jones Chemical, Inc's bid is the lowest responsible bid for the supply of sodium hydroxide per ITB-4487;

Whereas, Funding for the purchase of sodium hydroxide is available in the FY18 approved Operation and Maintenance Budget of the Water Supply System Fund; and

Whereas, JCI Jones Chemical, Inc complies with the requirements of the Non-Discrimination Ordinance;

RESOLVED, That Council accepts JCI Jones Chemical, Inc's bid of \$550.00/dry ton for sodium hydroxide in accordance with the terms of ITB-4487;

RESOLVED, That the City Administrator be directed to approve a purchase order with JCI Jones Chemical, Inc for purchase of sodium hydroxide in accordance with this resolution at an estimated cost of \$199,100.00 for FY18;

RESOLVED, That the City Administrator be authorized to renew the purchasing agreement for up to three (3) one-year periods provided both parties agree to an extension and subject to availability of funding;

RESOLVED, That the City Administrator be directed to accept the next lowest responsible bidder if JCI Jones Chemical, Inc is unable to furnish adequate supplies during the Contract period; and

RESOLVED, That the City Administrator be authorized to take all necessary actions to implement this resolution.
