Resolution to Approve a Purchase Order to Amerinet for Extreme Switches Annual Maintenance and Support for FY2012 (\$42,750.00)

Attached for your review and action is a resolution authorizing the creation of a purchase order to Amerinet in the amount of \$42,750.50 for maintenance and support of the City’s Extreme network switches for FY2012.

The Extreme network switches are used throughout the City to support connectivity of the City’s voice and data infrastructure. ITB-4112 was issued in July 2010 and subsequently awarded to Amerinet for the purchase and annual maintenance of the Extreme network switches.

It is imperative to maintain this agreement with Amerinet to receive maintenance and support to minimize downtime for the City’s infrastructure.

Amerinet received Human Rights and Living Wage compliance approval on March 18, 2011.
