An Ordinance to Amend Chapter 55 (Zoning), Rezoning of 7.7 Acres from R1C (Single-Family Dwelling District) to R1E (Single-Family Dwelling District) WITH CONDITIONS, Weber Rezoning, 2857 Packard Road (CPC Recommendation: Approval - 6 Yeas and 1 Nays) (Ordinance No. ORD-16-20) **(8 Votes Required)**

Approval of this resolution will rezone this 7.7 acre parcel from R1C to R1E to allow fifty-six single family lots on one parcel. Access is proposed off two curb cuts from Packard Road. Each proposed house has a maximum size of 2,000- square feet as required in the R1E zoning district. As currently proposed, the residential density is 7 dwelling units/acre.

Any rezoning must be accompanied by a Site Plan or Area Plan, as the petitioner has provided in this case. The Area Plan does not have the effect of a site plan, but is intended to demonstrate that

development under the proposed zoning is viable. Action on the Area Plan will accompany the second reading of rezoning, but is also included in the attached staff report for first reading.

The City Planning Commission determined that the proposed rezoning is consistent with the adjacent zoning, the surrounding land uses, and the City's Master Plan and recommended approval of the request at its meeting of September 7, 2016.
