Resolution Accepting Easement for Pedestrian Access from Greenbrier Apartments LLC (Plymouth Road-Green Road Resurfacing Project-2010) (**8 Votes Required**)

There is a resolution before you to accept an easement from Greenbrier Apartments LLC, a Michigan limited liability company, for the construction and maintenance of a pedestrian access easement at the intersection of Green Road and Greenbrier Drive.

An appraisal report is not required when the City acquires an easement for value of less than \$10,000 under Section 1:320(3) of the Ann Arbor City Code, however, this project will receive federal funds and must meet the requirements of MDOT including the offer of compensation for the requested easement.

A Valuation Statement was prepared by the Project Management Unit of the Public Services Area which placed compensation for the pedestrian access easement at \$6,030.00 based on a formula developed and approved by the Michigan Department of Transportation ("MDOT"). Greenbrier Apartments LLC has agreed to accept the City's written offer, subject to City Council approval.

The terms and conditions of the grant of easement have been reviewed and approved by the Project Management Unit of the Public Services Area.

Acceptance of the grant of easement is recommended.
