Resolution to Approve the Purchase of 75 Streetlight Luminaires from Graybar Electric Company, Inc. through the Michigan Delivering Extended Agreements Locally (MIDEAL) (\$37,500.00)

Attached for your review and approval, please find a resolution to authorize the purchase of 75 LED streetlight fixtures from Graybar Electric Company, Inc. in the amount of \$37,500.00. The fixtures will be used for inventory to address outages or other incidents that warrant streetlight replacement. The fixtures are dark-sky compliant and have a 7 pin receptacle socket which means they are compatible with 'smart city' sensors (which could be added at a future date).

Graybar was chosen by the State of Michigan to provide "electrical, lighting, data communications and security products and related products, services and solutions - statewide" (Contract #17118000000463). Under MiDEAL, the State of Michigan allows Michigan cities to buy goods and services from state contractors. Purchasing streetlight fixtures from Graybar under the State contract saves time and resources by foregoing local procurement in favor of the procurement already done by the State. The total purchase of the fixtures is \$37,500.00.

Budget/Fiscal Impact: The funding for the purchase of these devices are included in the Engineering/Transportation Service Unit FY2022 approved Operations and Maintenance Budget and appropriate capital budgets.

Prepared by: Raymond Hess, Transportation Manager
Marc Moreno, Signs and Signals Supervisor

Reviewed by: Craig Hupy, Public Services Area Administrator

Approved by: John Fournier, Acting City Administrator

Whereas, City Council has established installation and maintenance of streetlights as a priority;

Whereas, Graybar Electric Company, Inc. was chosen by the State of Michigan to provide electrical, lighting, data communications and security products and related products, services and solutions on a statewide basis;

Whereas, Under MiDEAL, cities can buy goods and services from state contractors;

Whereas, The City received a quote from Graybar Electric Company, Inc. to provide 75 LED streetlight fixtures at a cost of \$37,500.00;

Whereas, Graybar Electric Company, Inc. complies with the City's Non-Discrimination Ordinance; and

Whereas, Sufficient funds are included in the Engineering/Transportation Service Unit FY2022 approved Operations and Maintenance Budget and appropriate capital budgets.

RESOLVED, That City Council approves a purchase order to Graybar Electric Company, Inc. in the amount of \$37,500.00 for the purchase of 75 streetlight fixtures; and

RESOLVED, That City Council authorize the City Administrator or designee to take the necessary administrative actions to implement this resolution.
