**Resolution Accepting Easement for a Water Main Easement from the Public Schools of the City of Ann Arbor (8 Votes Required)**

There is a resolution before you to accept an easement for a water main from the Public Schools of the City of Ann Arbor, a public body corporate organized and existing under the Michigan Revised School Code, for a water main constructed on the Pioneer High School property.

As part of the construction of a stormwater detention facility on Grantor's property, it was necessary to move an existing, stand-alone water main. That work was done by Washtenaw County as part of their construction of the stormwater detention facility, and has passed City inspections.

The easement is in standard form and conveyed without cost to the City.

Acceptance of the easement is recommended.
