Resolution to Approve the Second Amendment to the Service Contract between CompOne Administrators, Inc. and the City, dated July 1, 2019, to Continue Services for an Additional Three Years (\$89,274.00)

This resolution is to approve the Second Amendment to the Service Contract between CompOne Administrators, Inc. and the City, dated July 1, 2019 (the Contract), to extend the Contract for an additional three years at an estimated cost of \$89,274.00 (the Amendment). Pursuant to the Amendment, CompOne Administrators, Inc. will continue to provide third-party administrator (TPA) services related to workers' compensation claims for the City. Funding for these services is budgeted and available in the Risk Fund.

Staff recommends this three-year extension with CompOne to continue these critical services. For effective management of workers' compensation, the TPA must be closely integrated with both the insurance carrier and the City's administrative frameworks. CompOne has maintained approval from our insurance carriers and the State since 2013, consistently demonstrating high performance and reliability.

This three-year agreement will ensure continuity and stability in our workers' compensation management, aligning with the City's strategic goals for risk management.
