Resolution to Increase the FY19 General Fund Budget of the Ann Arbor Police Department by \$50,000.00 (*as amended*) to Provide for the Independent Community Police Oversight Commission (8 Votes Required)

The City Council has established an Independent Community Police Oversight Commission, effective on or about January 1, 2019. Experience across the nation is that community policing commissions are only successful if properly resourced. While the City Administrator provided \$25,000 in the current fiscal year budget for the Advisory Task Force and start-up actions of the Commission, additional staff and financial resources may be required to support Commission activities through the end of FY19. This resolution restores the funds used to support the Task Force and provides an increase in funding available in the event the start-up activities of the Commission exceed the current allocation.

Budget and Fiscal Impact: This resolution has an impact of \$30,000.
